Patience and Prudence

INTRO: (C) (Em) (F) (G7) (C)

CHORUS:

(C) Uh Huh, (Em) MmHum,
Gonna (F) get along with (G7) out you (C) now
(C) Uh Huh, My honey, (Em) MmHum, My honey
Gonna (F) get along with (G7) out you (C) now

VERSE 1:

You (C) told me I was the (Am) neatest thing
You (F) even asked me (G7) to wear your ring
Then you (C) ran around with every (Am) girl in town
You (F) never cared if it (G7) got me down.

REPEAT CHORUS:

BRIDGE:

Got (C) along without you (Em) before I met you
Gonna (F) get along with (G7) out you (C) now
Gonna (C) find somebody that's (Em) twice as cute
Because I (F) didn't like you (G7) any (C) how.

VERSE 3:

You (C) told everybody that (Am) we were friends
But (F) this is where our (G7) friendship ends
Because (C) all of a sudden you'd (Am) change your tune
You (F) haven't been around since (G7) way last June.

TAG:

(C) Uh Huh, (Em) MmHum,
Gonna (F) get along with (G7) out you (C) now
Got (C) along without you (Em) before I met you
