

HARBOUR LIGHTS

INTRO: (F) (C7) (F) (F)1

(F)3 I saw those (C7) harbor lights
They only (Gm) told me we were (F) parting
The same old (C7) harbor lights
That once brought you to (F) me. (F)1

(F)3 I watched the (C7) harbor lights
How could I help if tears were (F) starting
Goodbye to (C7) tender nights
(Gm) Beside the silvery (F)2 sea. (Bb)2 (F)1

(F)3 I long to (Bb) hold you near
And kiss you just once (F) more
But you were (Dm) on the ship
And I (Gm) was on the (C7) shore. (F)1

(F)3 Now I know (C7) lonely nights
(Gm) For all the while my heart is (F) whispering
Some other (C7) harbor lights
Will steal your love from (F)2 me. (Bb)2 (F)1

(F)3 I long to (Bb) hold you near
And kiss you just once (F) more
But you were (Dm) on the ship
And I (Gm) was on the (C7) shore. (F)1

(F)3 Now I know (C7) lonely nights
(Gm) For all the while my heart is (F) whispering
Some other (C7) harbor lights
Will steal your (Dm) love (C7) from (F) me. (C7) (F)
