

**D = 2<sup>nd</sup> Fret    HOW'S THE WORLD TREATING YOU**

**(C)** I've had nothing but sorrow,  
    Since you said we were **(G)** through.  
There's no hope for tomorrow,  
    How's the world treating **(C)** you.

**(C)** Every sweet thing that mattered,  
    Has been broken in **(F)** two.  
All my dreams have been **(C)** shattered,  
    **(G)** How's the world **(G7)** treating **(C)** you.

**(C)** Got no plans for next Sunday,  
    Got no plans for **(G)** today.  
Every day is blue Monday,  
    Every day you're **(C)** away.

**(C)** Though our pathways have parted,  
    To your memory I'm **(F)** true.  
Guess I'll stay broken **(C)** hearted,  
    **(G)** How's the world **(G7)** treating **(C)** you.

**(C)** Do you wonder about me,  
    Like I'm hoping you **(G)** do.  
Are you lonesome without me,  
    Have you found someone **(C)** new.

Are you burning and yearning,  
    Do you ever get **(F)** blue.  
Do you think of **(C)** returning,  
    **(G)** How's the world **(G7)** treating **(C)** you.

**(F)** Do you think of **(G)** returning,  
    **(G7)** How's the world treating **(C)** you.
