

# I Can't Stop Loving You

intro: (C), (G7), (C)....

UNDERLINE = NO STRUM

## REFRAIN

Those happy hours.... (C7) that we once (F) knew....

So long a (C) go.... still make me (G7) blue....

They say that (C) time.... (C7) heals a broken (F) heart....

But time has stood (C) still....

since (G7) we've been a (C) part....

I can't stop (F) loving you.. so I've made up my (C) mind....

To live in (G7) memory.. of old lonesome (C) times....

I can't stop (F) wanting you.. it's useless to (C) say....

So I'll just (G7) live my life in dreams of yester (C) day....

## REFRAIN

I can't stop (F) loving you.. There's no use to (C) try....

Pretend there's (G7) someone new.. I can't live a (C) lie....

I can't stop (F) wanting you.. the way that I (C) do....

There's only (G7) been one love for me,

that one love is (C) you. (F), (CV)
