

ITS A MARSHMELLOW WORLD

As sung by Dean martin

INTRO: (F) (G7) (C) (C)

(C) It's a marsh mellow world in the winter,
When the snow comes to cover the (G7) ground.
It's the (F) time to play, It's a (C) whip cream day.
I (F) wait for it (D7) all year (G7) round.

(C) Those are marsh mellow clouds being friendly,
In the arms of the evergreen (G7) trees.
And the (F) sun is red, like a (C) pumpkins head.
It's (F) shining so your (G7) nose won't (C) freeze.

The (C7) world is your snowball, (F) see how it grows.
(C) That's how it goes, (F) whenever it snows.
The (D7) world is your snowball (G7) just for a song.
Get (D7)V out and roll it (G7) along.

(C) It's a yum-yummy world made for sweethearts,
Take a walk with your favorite (G7) mate,
It's a (F) sugar date, what if (C) spring is late.
In (F) the winter, it's a (G7) marsh mellow (C) world.

The (C7) world is your snowball, (F) see how it grows.
(C) That's how it goes, (F) whenever it snows.
The (D7) world is your snowball (G7) just for a song.
