

## SIDE BY SIDE

(C), (G7), (C),

(C) We got married last (F) Fri (C) day,  
My girl was right there be (F) side (C) me,  
Our friends (F) were all gone,  
(C) We were a (A7) lone, (D7) Side (G7) by (C) side.

We were happily (F) wed (C) when,  
She got ready for (F) bed (C) then,  
Her teeth (F) and her hair,  
(C) She placed in a (A7) chair, (D7) Side (G7) by (C) side.

(E7) One glass eye so tiny,  
(A7) one hearing aid so small,  
Then she (D7) took one leg off,  
and (G7) Placed it in a chair by the wall.

I stood (C) there all broken (F) heart (C) ed.  
Most of my girl had de (F) part (C) ed.  
So I (F) slept in the chair,  
(C) There was more of her (A7) there, (D7) Side (G7) by (C) side.

Last time thru, repeat:

So I (F) slept in the chair, (C) There was more of her (A7) there, (D7)  
Side (G7) by (C) side.
