

IN A SHANTY IN OLD SHANTY TOWN

October 17, 2014

It's (C) only a (E7) shanty in (A7) old Shanty Town,
the (D7) roof is so (C#7) slanty
it (D7) touches the ground
But my (G7) tumbled (D7) down (G7) shack,
by an (C) old (F) railroad (C) track,
Like a (D7) millionaire's mansion,
is (Dm7) calling me (G7) back.

I'd (C) give up a (E7) palace, (A7) if I were a king;
it's (D7) more than a (C#7) palace,
it's (D7) my everything

There's a (F) queen waiting (Fm6) there
with a (C) silvery (A7) crown.
In a (Dm7) shanty in (G7) old Shanty (C) Town. (G7)
