

# I'LL BE SEEING YOU

July 23, 2012

(C) I'll be (E7) seeing you  
In (Dm) all the (A7) old fam-(Dm)-iliar places  
That this (A7) heart of (Dm) mine em-(G7)-braces  
(C) All day through.

(Am) In that small cafe;  
The (Dm) park across the way;  
The (G7) children's carousel;  
The (C) chestnut trees;  
The (G7) wishing well.

(C) I'll be (E7) seeing you  
In (Dm) every (A7) lovely (Dm) summer's day;  
In every (A7) thing that's (Dm) light and (G7) gay.  
I'll (Em7-5) always think of (A7) you that way.

I'll (Dm) find you  
In the (E7) morning sun  
And (Am) when the night is (D7) new.  
I'll be (Dm) looking at the moon,  
(Fm6) But I'll be seeing (C) you. (Fm6)x2 (C)v
