

# Hey Jude

by Paul McCartney (1968)

(sing c)

Hey— Jude— don't make it bad— Take a sad song— and make it bet-ter-er-er—

Re-mem-ber to let her into your heart— then you can sta-art— to make it— better—

Hey Jude— don't be a-fraid— You were made to— go out and get her-er-er—

The minute you let her under your skin— then you be-gi-in— to make it— better—

And any time you feel the pain— Hey Jude— re-frain—

Don't carry the world u-pon— your shoul-der—

For well you know that it's a fool— who plays— it cool—

By making his world— a lit-tle col-der—

Na na-na Na Na Na-na Na Na— (e-f-g - g)

Hey Jude— don't let me down— You have found her— now go and get her-er-er—

Re-mem-ber to let her into your heart— then you can sta-art— to make it— bet-ter

So let it out and let it in— Hey Jude— be-gin—

You're waiting for some-one to per-form with—

And don't you know that it's just yo-ou Hey Jude— you'll do—

The movement you need— is on— your shoul-der—

Na na-na Na Na Na-na Na Na— (e-f-g - g)
